Step 1

Fold large rugs into thirds and fold smaller rugs in half.

Step 2

Roll the rug into a cylindrical shape.

Step 3

Tie up the rug with cord or string on both ends of the cylinder.

Step 4

Lay rug onto at least two layers of plastic. Roll the rug up in the plastic and tape along the seam.

Step 5

Fold down both ends of plastic wrapping. Securely tape both ends of the cylinder. Add extra tape to ensure security.
